Dear Mac,

WCSR is overcome by your generosity! We can't thank you enough for the gift of records-- the dearest commodity that exists as far as we are concerned. Bit bt bit, or it would be more appropriate to say bulk by bulk, we are building up our record library, hoping that it will soon include everything that's worth listening to. And your contribution to our endeavor is certainly appreciated.

Next time you are back be sure and drop by and listen to the records being played over the air.

As a personal note, I'm sorry that I didn't see you myself. Tylerites said though that you are in very good shape.

Many, many thanks Mac, for your interest in us and your help to us.

Sincerely,

Patricia A. Ivins  
Executive Secretary
